

Electronic shredder for Prevention of data leakage

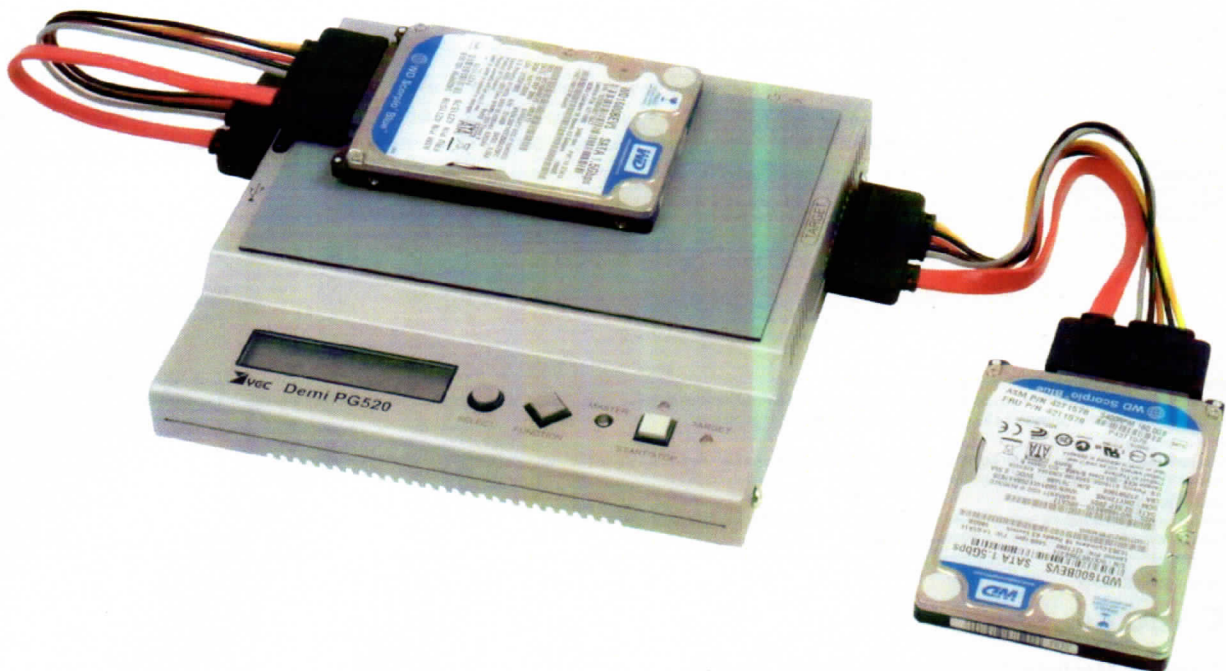

Demi PG520

Erasing function/Capacity setting function

Ultracompact/Low-price High-speed duplicator for SATA 3Gb/s

- High-speed data transfer for SATA II (8.5GB/min)*
- CLIP (Capacity setting) function
- Main weight about 650g, A5 size (Lightweight/Ultracompact)
- Erasing function based on NSA recommended/DoD standards
- Analysis/Copy function of use area

*Different according to the performance of connecting device

Demi PG520

**Electronic shredder
for Prevention of data leakage**

- **High-speed data transfer**
High-speed copy & erasing for SATA II (3Gb/s) High-speed data transfer by 8.5GB/min
*Different according to the performance of connecting device
 - **Clip (Capacity setting) function**
Set the same capacity for the HDD connected to the target as one of the master HDD.
It is also possible to cancel.
 - **Ultracompact/Lightweight**
650Kg, A5 size (Full of useful functions), and highly portable
 - **Erasing function/ Simple diagnosis function**
Erasing function : Overwrite once, NSA recommended (Overwrite 3 times),
DoD standards (Overwrite 3 times + Verify)
Simple diagnosis : SMART self-diagnosis function
 - **Analysis/Copy function of use area**
Analyze the use area to copy/compare only the use area.
MBR, BPT partition table
FAT, FAT32, NTFS, EXT2, EXT3 file systems supported
- ▶▶▶ **Uses (Department, Cases)**
- Data center : PC recycle, Data erasing when returning the leased PC
 - Service department : Onsite data erasing
 - Information system department : Creation of Master HDD for the Client PC
 - Field support department : Field backup in case of errors in the PC

Specifications

Item	Specifications
Product name	Demi PG520
Model No.	Y-2090
Outer dimensions	W175 x D171 x H31(mm)
Weight	About 650g (Main unit)
Power Source	AC 100V ~ 240V 50/60Hz
Consumption Current	0.5A
Temperature condition	10 degC - 35 degC 20% - 80% (No condensation)
Number of connections	Copy 1 (1:1)
	Erasing 2
	Diagnosis 2
Interface	HDD SATA 3Gb/s
	F/W revision USB 2.0
Transfer speed	8.5GB/min, Different according to the performance of connecting device
Primary function	●Copy & Compare in total area ●Copy & Compare in actually-used area (MBR/GPT, FAT/FAT32/NTFS/EXT2/EXT3) ●HPA AUTO CLIP ●Data erasing (Once, MSA, DoD) ●Simple diagnosis (SMART self diagnosis)
Accessories	●AC power cable/adaptor (1) ●SATA interface cable (2) ●Operation manual (1 CD)
Options	●SATA⇔ATA conversion (Cable/Adapter)

■Minimum retention period of repair performance components
The minimum retention period of repair performance parts (maintenance parts to maintain functions of this product) for this product is five years after the product is discontinued.
Maintenance service shall generally be terminated when the retention period expires.

■Notes on exports
Legal permission may be required for exporting this product (including personal transport). Exporting without required permission is punishable by law.
Please contact us whether permission is required for exporting.

■Notes on operations
Unlocking a password, reading, writing or deleting data using this product may require legal permission.
Operating without required permission is punishable by law.
